NC Ranked 7th For LEED Certified Buildings
According to a recent article in the Charlotte Observer, North Carolina ranks 7th in the nation for environmentally friendly buildings certified by the US Green Building Council.

LEED (Leadership in Energy and Environmental Design) buildings are designed to use less energy and water, reduce carbon emissions and contribute to a healthier environment.

North Carolina certified 133 projects representing 17 million square feet of real estate in 2013.

The rankings were based on LEED square footage per resident. Illinois placed first.

26th Annual Don Mizelle PCEA Spring 2014 Scholarship Golf Tournament
May 30, 2014 - Eagle Ridge Golf Club
565 Competition Rd. Raleigh NC 27603

Our 26th Annual Don Mizelle PCEA Spring 2014 Scholarship Golf Tournament will be held Friday, May 30, 2014, at Eagle Ridge Golf Club in Raleigh, NC. This par 71, 6,904-yard track, set in a spectacular, wooded rolling terrain is a challenging and rewarding test for players of all skills levels since it opened in October 2000. Eagle Ridge was designed by 1992 US Open Champion Tom Kite. He did much more than just lend his famous name to the project. The characteristics of this course reflect the qualities that made Kite a 19-time PGA tour winner - a hard working attitude and the ability to hit wedge shots close.

Registration begins at 9:30 AM with a 11:00 AM shotgun start for this Captain’s Choice (Superball) tournament. There will be a putting contest for all those interested and it will start at 10:30 AM. Winner will receive $100.00. Don’t be late. We would appreciate all players to be registered by 10:45 AM and at their carts by 10:50 AM. Award ceremony will follow round.

Proceeds from this tournament will support our Education and Scholarship Funds for students at local universities, community colleges, and high schools that are entering into construction related fields. We offer approximately $15,000.00 in scholarships every year to students enrolled in construction related curriculums.

You can continue to support these activities by participating in one of the following ways:
