First PCEA Student Chapter Is Formed
At the PCEA National Board Meeting on November 8 in Charlotte, the Board voted to establish the first PCEA Student Chapter at Appalachian State University with 27 student members. The staff at Appalachian State University have been active participants in the PCEA Catawba Valley Chapter’s membership meetings. The PCEA Catawba Valley Chapter will be supporting this newly formed student chapter.

PCEA Student Chapter
Committee Member Needed
Bill Barton from the Columbia Chapter has been mostly working on his own to prepare a draft of the Student Chapter Guide Book. Bill Barton and National President Matt Solomon have requested at the last two PCEA National Board Meetings that each chapter provide a member for this committee to assist Bill with editing of the Student Handbook. It is imperative that we find a PCEA Triangle Chapter member to step forward and join this important committee. Please contact our National Director Kevin Sherron if you are interested in serving on this committee.
