House Bill 1043 Approved
On June 25, 2014, the NC General Assembly in a 112-0 vote approved Senate passed legislation which amended HB 1043 to develop a uniform prequalification policy for North Carolina public works projects. The bill approved by Governor Pat McCrory, also calls for the formation of a blue-ribbon panel to make recommendations on new funding sources and needs for construction and design involving state agencies, the UNC system, community colleges and local school boards along with local governments’ utility needs for water and waste water infrastructure, through the year 2025.

House Bill 476
The new underground and safety and damage prevention law will take effect on October 1, 2014 will save lives, minimize injuries and protect vital utility lines.

House Bill 1182
The enactment of HB 1182 will provide more than $376 million towards construction involving the UNC system.

Career and Technical Education Update
Students taking Construction and other Career and Technical Education pathways in 2013 had a 93.7 percent graduation rate in the state’s public schools compared with an 80.4 percent graduation rate for all graduates.
PCEA 2015 National Convention
The 2015 PCEA National Convention will be held at St. Simons Island in the southern region of Georgia. Randall Williams with the Catawba Valley Chapter is the chairman for this convention. Make plans to attend this great convention. More information to follow.

PCEA National Board Meeting
November 21, 2014
The next PCEA National Board Meeting will take place in Charlotte on Friday November 21, 2014. Each quarter our PCEA National officers and directors meet to plan future events, conduct the business of PCEA and share information from all of the chapters throughout all of the states where PCEA has a presence.
